

Call for applications for the assignment of 1 research fellowship grant for carrying out Category B research activities, as per Article 22 of Italian Law No. 240/2010, for the Scientific Disciplinary Sector of MED/49 – Food and Dietetic Sciences, at the facilities of the Centro Integrato di Ricerca (CIR - Integrated Research Centre) and of the Departmental Faculty of Science and Technology for Sustainable Development and One Health of Università Campus Bio-Medico di Roma.

Call Code: ASS-RIC/15_23

Departmental Faculty	Science and Technology for Sustainable Development and One Health
Research theme	Creation of an integrated dataset following the mapping of dietary patterns in European countries.
Brief description of the research	The project aims to create a mapping of dietary patterns in the European countries participating in the study. The purpose is to establish a connection between diet and nutritional status for the identification of groups at risk of inadequate or excessive consumption of specific foods and nutrients. Following the analysis of existing data sources and the creation of an integrated dataset, based on the collected data, there will be an analysis of the data to produce scientific publications and project deliverables.
Scientific Supervisor	Prof. Yeganeh Manon Khazrai
Scientific Disciplinary Sector	MED/49 – Food and Dietetic Sciences
Language knowledge and skills	Excellent knowledge of spoken and written English
Date of the interview	7th December 2023, at 11:00 am Remote candidates on Microsoft Teams platform
