RESEARCH YEARBOOK

2020 - 2022

The Research Yearbook 2022

reports main facts, activities and scientific results achieved by our institution in the 2022 calendar year, with three main goals:

Dissemination and Promotion

Provide a comprehensive digest of the main ongoing research projects, simplified directory of the expertise, scientific equipment, technological facilities and services, research units and other organisational structures available in our University.

Provide answers to knowledge and innovation needs of our stakeholders.

Accountability

Provide direct source of information on how resources have been used to our main sponsors and external supporters.

Self-assessment

Provide a clear set of internal and external benchmarks to our research community, to stimulate continuous improvement of our performance and of the quality of our research work.

Third Mission Activities: innovation and social impact

- ▶ **39** patents (18 families) owned/co-owned by UCBM in the field of rehabilitation engineering, microengineering, regenerative medicine, biomedical instrumentation, cancer diagnostics and food analysis;
- ▶ **8** spin-off companies (3 participated by UCBM: Brain Innovations srl - <http://braininnovations.eu/>; Heremos srl - <https://www.heremos.com/>; Move to zero srl);
- ▶ public engagement activities to meet special social needs (e.g.: prevention campaigns, counselling service, etc.);
- ▶ “Lettere dal Campus” magazine, **+981,000** users on social media and **+ 4,5 M** page views.

Core Facilities for Research

- ▶ Molecular and Genetic Biology
- ▶ Electron and Confocal Microscopy
- ▶ Flow Cytometry / Cell Sorting
- ▶ Room Cells
- ▶ Radioisotope Laboratory
- ▶ Clean Room
- ▶ Machine Shop

Main funding bodies of 2022 ongoing projects

- ▶ European Commission
- ▶ National Institute for Insurance against Accidents at Work (INAIL)
- ▶ Italian Ministry of University and Research
- ▶ Italian Ministry of Health
- ▶ Ministry of Enterprise and Made in Italy
- ▶ Italian Ministry of Foreign Affairs
- ▶ Lazio Regional Authority
- ▶ ANIA Foundation
- ▶ Roma Foundation

2020 - 2022 Research Facts and Figures

Scientific production

Confirmed in the three-year period 2020-2022 a comparable level to that of the best Italian universities, both in qualitative and quantitative terms. In 2022 in relation to the size of the University and to the number of Faculty members.

- ▶ **900+** publications (+3% Vs 2021 and +13% Vs 2019);
- ▶ **6400+** cumulative Impact Factor (I.F.) (+40% Vs 2021 and +30% Vs 2019);
- ▶ **5300+** normalized I.F. (+ 20% Vs 2021 and +22% Vs 2019);
- ▶ about **37%** of such publications appeared on journals belonging to the first quartile (Q1) of the Scopus/SCImago international periodicals ranking;
- ▶ average of **5** papers with I.F. per Faculty member.
