The test will be held telematically with remote monitoring in accordance with the Call for Admission.

On 4th April 2024, candidates will receive an e-mail with the technical instructions (the so-called "check requirements"), in order to correctly configure the computer used for the test. It is the candidate own responsibility to complete the check requirements following the instructions received by e-mail.

Candidates marked with an asterisk must present the payment receipt of the registration fee on the test day.
