

Call for applications for the assignment of 6 research fellowships grant for carrying out Category B research activities, as per Article 22 of Italian Law No. 240/2010, at the facilities of the CIR - Integrated Research Centre and of the Departmental Faculty of Engineering, the Departmental Faculty of Medicine and Surgery and the Departmental Faculty of Science and Technology for Sustainable Development and One Health of Università Campus Bio-Medico di Roma.

Call Code: ASS-RIC/44_24

Departmental Faculty	Faculty of Science and Technology for Sustainable Development and One Health
Research theme	Creation of an integrated dataset following the mapping of dietary patterns in European countries.
Brief description of the research	The project aims to map the dietary patterns of the European countries participating in the study, linking diet to nutritional status to identify groups at risk of insufficient or excessive consumption of specific foods and nutrients. Once existing databases have been analyzed and an integrated database created, the collected data will be analyzed to produce scientific publications and project deliverables.
Scientific Supervisor	Prof. Yeganeh Manon Khazrai
