CLINICAL ELECTIVES RANKING

Please note your clinical electives preferences by ranking every course that would be acceptable to you. The more courses you rank, the more likely you are to be placed. The courses listed are typically available; however, ***they are not guaranteed*** and it is possible that there will be no spots available for you in any of the courses you rank.

Rank "1" for the elective most desired; rank higher numbers for less desirable but still acceptable electives

ATTN: RSCI & UCD STUDENTS, DO NOT COMPLETE THIS RANKING SECTION. SKIP TO CORE CLERKSHIPS INFO.
