

**CALL FOR ADMISSION TO THE MASTER'S DEGREE PROGRAMME IN MEDICINE  
AND SURGERY RESERVED FOR NON-EUROPEAN CANDIDATES NOT RESIDENT  
IN ITALY  
ACADEMIC YEAR 2021/2022**

This document is the English translation of the competition call issued by the Rector's Decree on 18<sup>st</sup> December 2020, no.612 for the Master's Degree Programme in Medicine and Surgery. The Italian version is the official document regulating this call. The document written in English has no legal value. In case of conflicting issues between the English and the Italian version, the Italian version succeeds. Admission to the Master's Degree Programme in Medicine and Surgery is regulated by a selective procedure on the basis of the following available places as indicated here below:

30 places available for non-EU citizens not resident in Italy who need a long-stay visa.

The number of available places may change in accordance to the Decree of the Ministry of Education, University and Research, pursuant to the provisions of Law n. 264, August 2<sup>nd</sup>, 1999. The Decree will be published at the following link: [www.unicampus.it/ammissioni](http://www.unicampus.it/ammissioni). In case of a reduction in the number of available places as a result of the ministerial assignment, the candidates enrolled on the basis of the procedures set out in this Call for Admission will forfeit and compete for any available places in the modalities provided for eligible candidates.

### **1. ENROLMENT REQUIREMENTS**

The only candidates who can participate in the enrolment procedure are the non-EU citizens not resident in Italy, who have obtained or will obtain in the academic year 2020/2021 a valid qualification to access to University in their country of origin (in accordance with the provisions published annually by the Ministry of Education, University and Research on the website [www.studiare-in-italia.it/studenti stranieri](http://www.studiare-in-italia.it/studenti stranieri)) and who are in possession of the result of the BMAT admission test (2020 and 2021 sessions) or IMAT (2020 and 2021 sessions, exclusively for the reallocation procedures referred to in paragraph 5 of this Call for Admission).

The following are not eligible for selection under this Call for Admission:

- candidates with dual nationality, one of which is Italian or from another EU country
- non - EU citizens regularly resident in Italy
- citizens of Norway, Iceland and Liechtenstein, Switzerland, the Republic of San Marino and Holy See, shall be treated in the same way as EU citizens.

The above-mentioned candidates **must compete** in accordance with the terms and conditions set out for **Admission procedures reserved for EU citizens** and treated as such.

**Candidates applying for this call violating the above-mentioned citizenship requirements will not be included in the merit ranking.**

Candidates' Secondary School qualification is deemed as valid if obtained after at least 12 years of schooling, accompanied by the Declaration of Value issued by the Italian diplomatic authorities in their country of origin.

In the event that the local school system is structured in 11 or 10 years of schooling, the qualification is valid only if integrated with one or two years of university and the candidate must provide proof of the successful completion of the required exams for the attended academic years. For this purpose, the

Foundation Year programme of the Campus Bio-Medico University of Rome is also accredited and recognised as valid, upon completion of the required exams.

## **2. SUBMISSION OF APPLICATIONS**

The application form must be submitted exclusively online at <https://unicampus.ilmiotest.it/> **from 7<sup>th</sup> January 2021 to 15<sup>th</sup> March 2021 by 1 P.M. (CET)**. The candidate will receive a confirmation email after each step of the application process and will be able to modify his/her personal data until 15<sup>th</sup> March 2021 by 1 P.M. (CET).

It is the candidate's own responsibility to verify the correct entry of the data required by the admission procedure. Entering false or incorrect data, or failing to provide the required information, will result in the exclusion from the procedure and from the final ranking, as well as the loss of the right to enrol or the annulment of the enrolment. Campus Bio-Medico University of Rome reserves the right to verify data and information provided by candidates.

For any information regarding the admission procedure (e.g. call for admission, notices of competition, instructions, etc.), please contact the appointed offices at +39 06.22.541.9281/9074/9056/8124/8887. For information on the enrolment procedure, please contact the Student Services Office (+39 06.22.541.9074/9047/9044).

Candidates with disabilities, pursuant to Law 104/92, and candidates with learning disabilities, pursuant to Law no. 170/2010, who require special conditions or special aids for the examination, must send a specific request to [dsa@unicampus.it](mailto:dsa@unicampus.it) **not later than 15<sup>th</sup> March 2021**, attaching the related certification proving the disability or SLD level, issued in the country of residence and accompanied by a sworn translation in Italian or English that specifies the essential elements regarding the aforementioned benefits in order to enable the University to prepare accordingly to guarantee an equal participation in the tests. **The University reserves the right to verify what the candidate has certified. Only certifications produced in Italian or English will be considered.**

## **3. ADMISSION TO THE MASTER'S DEGREE PROGRAMME**

The admission to the Master's Degree Programme in Medicine and Surgery takes place on the basis of a merit ranking defined by:

1. Total score achieved by each candidate in the in Section 1 and Section 2 of BMAT test <https://www.admissionstesting.org/for-test-takers/bmat/>. The 2020 and 2021 sessions are valid for this selection procedure. Section 3 score is used exclusively for the management of a tie as indicated hereunder. In the event of a tie, the candidate with the highest score in Section 2 will prevail; in the event of further tie, the candidate with the highest score in Section 1, Section 3 Content and Section 3 English will prevail. In the event of a further tie, the youngest candidate shall prevail.

2. Evaluation in thirtieths of the oral interview to be held at Campus Bio-Medico University of Rome on **24<sup>th</sup> March 2021** (Via Alvaro del Portillo 21, 00128 Rome), also online. The interview focuses on general culture, aptitude and motivation, as well as the ability to argue and convey opinions (also on the basis of Section 3 Content of the BMAT test). The interview calendar will be published on the University website <http://www.unicampus.it/eng/medicineandsurgery/admissions> by **18<sup>th</sup> March 2021**.

The merit ranking, compiled in order of score, is published by Decree of the Rector on the University's website [www.unicampus.it/ammissioni](http://www.unicampus.it/ammissioni) by **26<sup>th</sup> March 2021**.

#### **4. HOW TO ENROL**

The first 30 candidates in the merit ranking are declared winners and have to enrol **between 7<sup>th</sup> April 2021 and not later than 20<sup>th</sup> April 2021** by sending an email to [admission@unicampus.it](mailto:admission@unicampus.it) attaching the following documents:
