

Il Advanced International School on

**EXPERIMENTS, MODELING AND SIMULATION
IN BIOMECHANICS AND MECHANOBIOLOGY**

Rome, 20-24 february 2023

APPLICATION FORM

The School Committee will select a limited number of participants to maximize the interaction. For sending the application to participation, the prospective participant should fill the present form and send it back to

UCBM Academy: ucbmacademy@unicampus.it

together with a pdf file collecting:

- 1) CV with list of publications (max 2 pages)
- 2) Main Scientific Interest/Research Project (max 1 page)
- 3) Motivation (max 1 page)

Name of the Participant:

E-mail:

Affiliation (Institute/Department, University)

PhD Student

PostDoc/Researcher

Work address:

I hereby declare to be member of*:

European Society of Biomechanics (ESB)

Italian Group of Theoretical and Applied Biomechanics (GBMA-AIMETA)

Italy Chapter of the IEEE Sensors Council (IEEE)

Canadian Society for Biomechanics (CSB)

* Affiliation will be verified with the Scientific Society
